

STUDENT

Who is my audience?

Have I completed my brief & project requirements analysis and am able to convey the information verbally during the presentation?

Have I completed my Research Report and able to convey the information verbally during the presentation?

Can I link my theme to the brief and talk about it confidently?

Does my Mood Board successfully convey my theme?

Have I checked all anthropometric requirements, analysed adjacencies and explored possible configurations using bubble diagrams?

Does my concept presentation include:

- Title page with project name and my name
- Mood board
- Images of suggested finishes, furniture, fittings, lighting and features
- 2 x alternative colour schemes (digital colour swatches only)
- 2 x floor plan options with elevations

Have I included relevant notation, labels and titles?

Are my drawings at 1:50 scale?

Have I included plans & elevations?

How will I be presenting my Sketchpack?

Digitally

Manually

Do I have all of the equipment I need to make my presentation?

Have I printed out a hard copy of my Sketchpack for peer review?

You can add any other relevant information that will help you prepare for your presentation below:
